A Good Butter Record

The Didsbury district seems to be coming back again to its old time standards in the dairying industry according to the reports from the Dairy Commissioner's office at Edmonton.

A few years ago this district was the leader in good butter making but no doubt owing to the war making big demands on the producers they got somewhat careless regarding their cream and the consequence was that the quality of butter deteriorated considerably and the district fell from its high place in the butter market. However this is now changing and the results of better care by the dairymen of cream and up-to-date manufacturing by the Crystal Dairy Co. is having the effect of bringing back our old reputation as a few of the reports will show.

In August the Crystal Dairy report showed them leading by a score of 95.5 points and during September in only one instance did they go below the leader by 3 points, their average during this month being 95.8 points.

This reflects great credit on the dairymen who deliver cream to this Creamery as it shows that greater care is being taken in the preparation of their product for manufacturing purposes which will react in bringing back the demand for butter manufactured in the Didsbury district.

Red Deer Now Connected With C.N.R.

The first regular passenger train on the C. N. R. to enter Red Deer came in on Monday on the new spur line. A regular combination passenger and freight service for points both east to Big Valley and west to Nordberg is now in operation out of Red Deer. For points east trains leave on Tuesdays, Thursdays and Saturdays; for points west on Mondays, Wednesdays and Fridays.

Receives Call to Presbyterian Church

At the meeting of the Calgary Presbytery on Monday, a call was extended from Knox Presbyterian church, Didsbury, to Rev. W. J. McNutt. Mr. McNutt was a minister of a church near Casper two years ago but since then has been visiting in Ireland. The installation services will be held in Didsbury on Monday evening, October 6th. Rev. A. Raffine and Rev. A. Wishart, representing the Calgary Presbytery will be present.

Who Can Beat These Big Spuds

Calgary is making a noise about the big vegetables being grown in that city but they will have to go some in unalling the potatoes that are being brought to the the light of day in this town and district.

WASTED DOLLARS

How often have you returned home on a Saturday night, after having spent \$5 or \$10 without any particular pleasure or profit? Wouldn't it have been better for your future if—instead of spending the money you had deposited it to the credit of your savings account?

Think it over! Open a savings account next pay-day at our nearest branch, and save all your spare dollars.

Comp. our Booklet "One Dollar Weekly" free on request.

Turkish Nationalists To Accept Principle Of Neutrality Of Straits

Constantinople.—The Turkish Nationalists will accept in principle the neutrality of the Straits of the Dardanelles, pending an armistice conference to be participated in by British and Kemalist Generals.

Possible war between Great Britain and Turkey is at least temporarily averted by the declaration of the Nationalists. The declaration reflects the situation, which even the British had admitted was critical.

In a message to Kemal Pasha at Samsun, General Harrington urged an early meeting of the British and Kemalist Generals at Mudania in accordance with the most effective way of reaching an amicable understanding in the present difficult situation created by the Kemalist advance in the Near East.

The message, which was most encouraging in tone, declared it would be a play at the present juncture to allow local occupations on the Straits. In jeopardizing peace. Prior to an armistice, the Kemalist would respect the neutrality of the Straits, Dardanelles, the Aegean representative, said to the correspondent.

"The Kemalist naturally will come across the so-called neutral zones, but they have not the slightest intention of taking upon the British occupying those zones. If, however, the British move against us we will be forced to reply."

General Harrington replied to Kemal Pasha, stating that for the declaration that he would respect the neutrality of the Straits and that he wished to avoid conflict. The British commander added that the destruction of which Kemal complained was prompted by military necessity and declared that no ships had been fired against Turkey in anger nor would be except under the orders. He concluded by expressing readiness to meet Kemal at any convenient place to discuss an understanding.

Paraphrase your local printer. It is poor policy to send your job printing out of town. It does not pay, no matter which way you look at it.

BANDITS MAKE BIG HAUL

ROB SAFES OF BANKS AT MOOSMIN AND CEYLON, SECURING CONSIDERABLE BOOTY

Regina.—A gang of bandits blew the safes of the Union Bank at Moosomin and the Bank of Montreal at Ceylon, making a clean getaway with \$13,700 cash and \$18,000 in securities. The securities and \$7,000 in cash were taken from the bank at Ceylon and \$7,700 in cash in the Moosomin robbery. The bandits were carefully planned, the bandits placing sentries at points of escape to stop any possible interference while the operators were at work with their glycoline on the vaults and safes.

Moosomin is 128 miles east of Regina on the C.P.R. main line, and Ceylon is about three miles west and 45 miles south of the city on the Radville-Bellevue branch of the C.N.R. Both bank buildings were damaged, over \$5,000 being the loss to the building and equipment at Moosomin, and over \$2,000 at Ceylon.

The bandits cut every telephone and telegraph cable leading into both of the towns, and at Moosomin bound John McDonald, C.P.R. night operator, taking him to the bank so that he would not be able to give any alarm. No other person was molested during the raids.

Three C.P.R. trains were stalled for some time at Moosomin during the night, while McDonald was held by the bandits. After they had left the bank he walked to the station, and there a considerable number of the night clerk of the Queen's Hotel found him by cutting the ropes. McDonald then departed for the trains.

Feed Sheep On Screenings

10,000 Sheep Will Be Fed At Fort William

Winnipeg.—Ten thousand sheep will be fed on screenings this year at Fort William and Westport by R. G. Harvey, of Lethbridge, the well-known sheep rancher, who was in Winnipeg recently, after completing arrangements for the care of his large flock.

He fed 7,000 at this point last year and found what had been regarded as a drug in the market could be profitably turned into pigme ration. Of this lot 1,000 were sold for shipment to New York and the remainder found a ready sale on the Toronto market.

Thinks Swearing All Right

Yes, providing the provocation equals the offence of Jones stepping on Smith's toe comes. Far better to swear than to be a sniveling snob. If Jones does it, it is his fault. No one can last if "Putnam's" is applied. Refuse a substitute. See every where.

Mines Speeding Up

London.—The Koffy Point Diamond Mines of the Orange Free State are resuming full time operations after working on a five-day week basis since the slump in the diamond trade, says a Reuters dispatch from Cape Town.

Dyed a Sweater And Skirt With Diamond Dyes

Every "Diamond Dyes" package tells how to dye or tint any wool, fur, or fabric with a new rich color that will not streak, spot, fade, or run. Perfect home dyeing is assured with Diamond Dyes, even if you have never dyed before. Just tell your druggist whether the material you wish to dye is wool or silk, or whether it is linen, cotton or mixed goods. For fifty-one years millions of women have been using "Diamond Dyes" to add years of wear to their old, shabby wools, skirts, dresses, coats, sweaters, stockings, draperies, hangings, everything.

Bermuda Struck by Hurricane

West Indies Island Suffers Heavy Damage in Storm

Hatfield.—Damage, although not stated at as severe \$2,000,000 and \$2,250,000 was caused by the hurricane which swept Bermuda on the morning of September 21, according to advices to the Hatfield and Bermuda Cable Company here.

Hundreds of houses were wholly or partially destroyed, wharves were washed away and roads gutted by a phenomenal tide. In exposed places stone buildings collapsed like houses of cards. It flooded the market square and a bank of three feet. St. George's Hotel roof was blown in half. Many small craft were destroyed. There was no shipping at Hamilton when the hurricane struck but wide damage was done to small boats.

British Capital For Canada

Earl of Stafford Is Impressed With Opportunities in this Country

Saskatoon.—The visit of the British parliamentary party to Canada will probably have a great effect on the sending of British capital to Canada in the near future, said the Earl of Stafford, who visited here with the Marquess of Ripon party.

"We have had an opportunity to see your wonderful country for our selves, and we are delighted with it," he said. "Although I am not able to make any statement as to the financial condition of the country, my impression is that things are looking up in Canada and that there is little reason to fear."

Will Provide Nurses

London.—Robert's Simla correspondent cables that the president of the high Indian scheduled European Association of India, has offered the Viceroy the services of his community in providing a contingent of nurses to be employed in the Near East in the event of an outbreak of war.

Constantine Succeeded By Crown Prince George To Throne Of Greece

NO MORE INDEMNITY PAYMENTS THIS YEAR

CONFERENCE IN DECEMBER TO SETTLE QUESTION OF FUTURE PAYMENTS

Paris.—The Allied Reparations Commission approved the German treasury notes for 36,000,000 gold marks delivered in the commission in payment of the August and September payments due to Belgium. The notes were then forwarded to Brussels. The action of the commission formally disposes of cash reparations payments for the remainder of this year.

The question of payments for 1923 is expected to be settled at the forthcoming Brussels conference on reparations and inter-allied debts. It is planned to hold early in December.

No Cause For Worry WHEN CHILDREN HAVE Summer Complaints

There is not a summer passes but that thousands of men, women and children are attacked by summer complaints such as diarrhoea, dysentery, colic, cramps and pains in the stomach, children, cholera morbus, cholera infantum, etc.

In looking for relief you should not delay in getting a bottle of Dr. Fowler's Extract of Wild Strawberry, a remedy that has been on the market for the past 72 years, and has stood the test of time.

Mrs. Geo. Chapman, Sudbury, Ont., writes: "I am the mother of five children and I must say they are seldom sick or in need of medicine. They are, however, sometimes troubled with summer complaint, diarrhoea, and such like, but I always find there is no cause for worry as I just give them two or three times as much of Dr. Fowler's Extract of Wild Strawberry, and the trouble soon disappears. It is a remedy that all mothers should keep in the home for the children." It is a bottle, not a tin, only by The T. M. M. Co. Limited, Toronto, Ont.

War Upon Drugs

Authorities Want All to Co-operate to Stamp Out Evil

Ottawa.—Cooperation between municipal, provincial and federal police forces; the formation of special "drug" squads in larger cities, and constant vigilance are necessary to stamp out the drug traffic in Canada, according to federal officials charged with enforcing the Opium and Narcotics Act.

The act provides stiff punishment for dope traffickers and deportation is already provided. Canada has a efficient system of checking legitimate imports, and the distribution of the drug once it leaves the hands of the importers. The according to federal officials, a certain amount of vigilance and lack of cooperation between the different forces is a handicap to the effective stamping out of the evil.

Montreal is at present the worst centre of illicit drug traffic in Canada, according to F. W. Cowan, who is chief of the branch of the health department enforcing the laws.

German Debt Increases

Berlin.—Germany's floating debt increased between September 16 and 26 by 16,123,000 marks. During the first ten days of September it increased to 345,000,000 marks.

Einstein Goes to Japan

Berlin.—Prof. Einstein, the German scientist who evaded the theory which bears his name is scheduled to sail for a six months' lecture tour in Japan.

Denies Report of Suggested Alliance

Berlin.—The German government has issued a denial of reported negotiations for a Russo-German alliance.

Athens.—King Constantine, bowing to the will of the army and navy, has abdicated, and Crown Prince George, who married Princess Elizabeth of Romania, becomes King of Greece.

A street demonstration by prominent citizens acclaimed Venizelos and a republic. There was some killing and former Minister of Agriculture Sideris was wounded.

Constantine twice occupied the throne of Greece. His first reign began March 18, 1915, with the assassination of his father, George I, and continued until June, 1917, when he was forced by the demands of Great Britain, France and Russia to abdicate because of his pro-German sympathies.

He was succeeded by his second son, Alexander, who was nominated by the deposed monarch, and who had promised to carry out Constantine's policies, despite Allied demands to the contrary. For three years, says Alexander, reigned in name only. Then his tragic death in 1920, due to the bite of a pet monkey, again turned the spotlight on Constantine, who had spent the intervening three years in exile with his large family.

A plebiscite had shown that the Greek nation was insistent upon the return of Constantine to the throne, and while the Allied governments continued to exert every pressure at their command to prevent his resumption, the former King marched triumphantly into Athens and was crowned in December, 1920, amid scenes of the wildest enthusiasm.

Italian Settlers for Canada

Montreal.—Twenty thousand Italians will arrive in Canada each next spring, according to announcement made by the Italian shipping agent here. Many are returning after spending a couple of years in Italy following their war years. The western provinces will get twenty-five per cent of the newcomers.

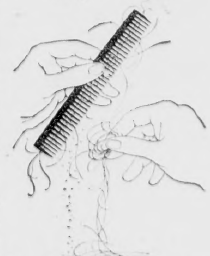

Six thousand Rumanians are planning to come to Canada and start farming in the west.

Canadian Ship Registration

London.—The British government requisitioned the British India steamer Corcoran, and the Canadian Pacific steamer Corcoran as troopships to convey military details to the Near East.

The David Thompson Memorial

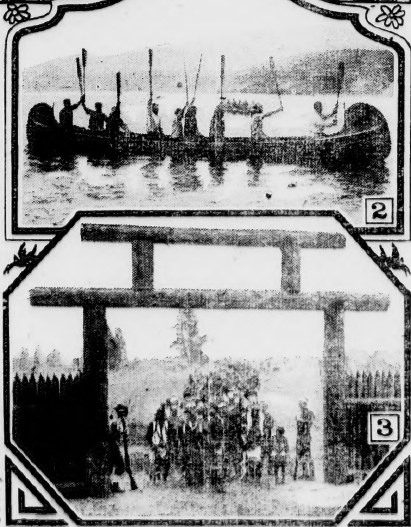

ON the shores of Lake Windermere, British Columbia, there transpired recently an event which will be incorporated in the history of Canada. This was the dedication of a Memorial Fort erected to David Thompson, Canada's greatest geographer and surveyor.

The Fort, which is the largest log building in Canada, was erected by the Canadian Pacific Railway and the Hudson's Bay Company, and it will be used in future as a museum.

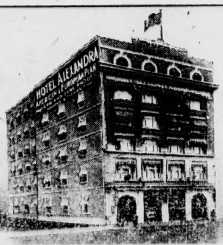

With faces painted in the brightest hues, and attired in colorful tribal costumes, Indians from the Kootenay and Shuswap reserves were the principal attraction at this inspiring event. Their tepees were pitched on the top of the hill surrounding the Fort. As dusk fell they lit camp fires and soon the visitors from Eastern and Western Canada and the United States were entertained with music supplied by the tom-tom augmented by the husky voices of the Braves.

The Indians had gathered to do honor to Canada's greatest surveyor who landed on the shore of Lake Windermere in 1807, and for this event they brought with them their finest costumes. Heads in rainbow shades, combined with Elk's teeth and vari-colored feathers were the "materials" used for the attractive garbs of the squaws. Gaily colored shawls and skirts brought to mind that one need not travel to world-famous fashion centres to obtain ideas for daring color schemes. Each child and wee papoose was attired in its tribal costumes with headwork of dazzling beauty. When an Indian tribe pokes its tepee, and moves it is always accompanied by the "Medicine Man". He is regarded by his fellowmen as gifted with rare talents. The "Medicine Man" of the Kootenay tribe was, perhaps, the most picturesque figure of the pageant. His costume was most colorful and his headress was unique. Both tribes entered into the spirit of the event with keen interest and

(1) David Thompson Memorial and Kootenay Indian camp, Lake Windermere, B.C.
(2) Kootenay Indians in the war canoe which won the race against the white settlers at the David Thompson Memorial exhibition at Lake Windermere, B.C.
(3) A Hudson Bay factor leading Indians into the David Thompson Memorial Fort, during the historical pageant at Lake Windermere.

were responsible for the pageant here, again, members of the Kootenay and Shuswap carried off prizes which they captured in almost every race, with little effort.

WEDNESDAY, OCTOBER 11,

WINS SILVER MEDAL

Melville White, son of Mr. and Mrs. W. N. White, of Westcott, is the proud possessor of the splendid silver medal given by Mr. Powell, Principal of the Melvin school, for the boy most proficient in school sports. Melville made a total 17 points while John Klein of Clovermont school came second with 16 points and Peter Nowak of the Didsbury schools came third with 13 points. The medal is a

fine one of sterling silver. One side is embossed with the figure of an athlete while on the reverse side is engraved the name of the winner and the date.

We hope to be able to publish the complete list of the winners of both the school fair and sports in next week's issue of the Pioneer.

A Radio concert and dance will be held at the Community Hall Friday night. A box social will be held in connection with it. Come out and have a good time. If Radio doesn't prove up to your expectations for a good dance, other music will be furnished. Ladies please bring a box with lunch enough for two. A small admission fee will be charged at the door.

IN MEMORIAM

In loving memory of Fred J. Leyne who died October 12th, 1921.

Peacefully sleeping, resting at last.

Life's weary trials and sufferings past;

In silence he suffered, in patience he bore.

Till God called him to suffer no more.

Inserted by Mrs. E. G. Reitzel.

CARD OF THANKS

We wish to thank our kind friends and neighbors for their kindness and help towards us at the sudden death of our beloved daughter, Edith Anderson. Also Messrs. Zimmerman and Crossland for their support and beautiful flowers.

She is gone from amongst us. But never shall her memory fade.

Sweetest thoughts shall ever linger

Round the spot where she is laid.

Father, Stepmother and Brothers.

DIED

At the Didsbury General Hospital on Monday, October 10th, Jessie Shields, infant daughter of Mr. and Mrs. J. Shields. The funeral took place on Tuesday afternoon from the home of Mr. Shields. Interment was made in the Didsbury cemetery.

Railway News

St. Stephen, N.B., Oct. 10.—A violent storm, which was the worst of autumn, drivers are continuing to be frequent. At King Street Crossing, St. Stephen, an auto ran into the side of a Canadian Pacific engine, damaging the auto and throwing the occupants out of the street. The driver claimed that he did not see the train until he was within ten feet and could not stop in time to avoid the accident.

Toronto, Oct. 10.—A Ford coupe ran into the side of a Canadian Pacific yard engine 6112, at Allen Road crossing, Guelph, breaking front fender, lamp, axle and wheel of the motor car. The engine was moving very slowly at the time. The driver admits his responsibility in connection with the accident.

Woodstock, Ontario, Oct. 10.—Going at a fast rate in his automobile, and thinking himself almost in the track of a Canadian Pacific train, Frank Lancaster, of East Zorra, Ontario, made a dash running into a ditch rather than running into the train. He was approaching the C. P. R. crossing and did not notice the train until he was nearly on the crossing. The brakes refused to work and he turned the car into the ditch. The car was badly smashed but Mr. and Mrs. Lancaster escaped injury.

Vancouver, B.C.—Tourist traffic during the past summer has exceeded our most sanguine expectations, said Mr. C. E. E. Usher, General Passenger Traffic Manager of the Canadian Pacific Railway, who arrived at the coast to look over the ground prior to laying plans for next year's season. The feature this year, said Mr. Usher, has been the large volume of business done in June and so far in September, two months which are usually more or less slack.

Ramblers, B.C.—Oldtimers say that never did the C. P. R. garden show so heavily or so gloriously as this year. And surely they never seemed to look out so heavily with their feet of mud, dirt, sand and "unfathomable" blue, coming in every kind. It is a pity, however, who are most impressed, tourists, even getting used to such mud, and between trains, many components are paid these household things about such a revelation of blizzards.

Victoria, B.C.—Railway building the interior of British Columbia is being held up by lack of labor, according to D. C. Coleman, vice-president of the Canadian Pacific Railway Company. Mr. Coleman announced that his company could secure only a handful of men to push the Kettle Valley line south from Port Hope to the new town of Oliver. While it had been planned to complete the line to Oliver in August, this had been found impossible owing to the scarcity of labor. The grade has been completed south to Oliver, but the laying of tracks is being impeded by the labor short.

Canada's prairie wheat crop will be 42,000,000 bushels larger than the crop of 1921, said the Vice-President.

Vancouver, B.C.—Without actual figures, even a close estimate of the number of tourists who have passed through this city during the summer months can hardly be formed. Yet, from information received from both the Canadian Pacific Railway and White Pass & Yukon Route, it is certain that travel in Alaska, both by the coast and by the rail, has been heavier than for several seasons—perhaps since several years before the war.

Every trip of the steamers "Vancouver" and "Princess Alice" which ply between this port and Skagway, has found the accommodation of the vessels wholly taken up and the indications are that for several years the heavy travel will continue. Tourists and sportsmen have been attracted to the north by the hundreds, while the mining developments which have been extensive in the Yukon have induced many mining men to move northward.

Service Unparalleled.—The addition of the "Louise" to the Alaska service this season has furnished the finest service to the north since the C. P. Coast Service was established. Both the "Louise" and "Alice" are palatial, speedy and comfortable craft and there is not a word of complaint from the north but who speak in glowing terms of the splendid equipment of the company.

CHRISTMAS IN THE OLD COUNTRY: SPECIAL ARRANGE- MENTS

A visit to the Old Country is something that a great number of people are giving thought to at this season of the year, and many have already made plans to reach their friends in time for the Christmas and New Year Season.

Canadian Pacific steamships are decidedly popular for this trip and to give extra special accommodation for those who are going overseas this season, the Canadian Pacific Railway has arranged for a special train to connect with the S. S. "Montcalm" sailing from St. John, Tuesday, December 12th. Through tourist sleepers will be operated from Edmonton to St. John, on Thursday, December 15th, and from St. John to Montreal, on Friday, December 16th, making connection with this special train leaving 9:20 a. m. December 16th.

Special tourist sleepers from Calgary, Edmonton, via regular trains will also be operated in connection with the sailings from St. John of the S. S. "Montcalm" on December 12th, S. S. "Victorian" December 20th, S. S. "Mellita" December 28th, S. S. "Metagama" December 31st.

EXCURSION RATES TO B. C.

The Canadian Pacific Railway announced on Monday that arrangements are being made to run excursions from Manitoba, Saskatchewan and Alberta to Vancouver, New Westminster and Victoria at excursion rates during December, January and February on certain dates to be named later on.

AROUND THE TOWN

Miss Irene Rodaway was a visitor in Calgary over Sunday. Mr. and Mrs. W. G. Liesemer motored to Calgary where they spent the week end.

Pay your Town taxes by the 15th of October and take advantage of the 6 per cent. discount.

Mr. and Mrs. N. H. Moody of Calgary were visitors over the week end with Mr. and Mrs. W. A. Austin.

Mr. Geo. Green and little daughter Isabel, of Edmonton, were visitors in Didsbury for a few days last week with Mr. and Mrs. W. O. Zimmerman.

The Mountain View Women's Institute will meet with Mrs. Stewart Tighe on October 19th. All members please come as there is important business for that day.

Mr. and Mrs. M. Johnson, Mr. and Mrs. W. Johnson, Miss Mock and Miss O. Zimmerman of Calgary, were all visitors with Mr. and Mrs. W. O. Zimmerman on Sunday.

Mrs. H. E. Wiegand and son David who have been visiting with Mr. and Mrs. A. G. Studer and Mr. and Mrs. W. G. Liesemer returned to Calgary by motor with Mr. and Mrs. Studer on Tuesday afternoon.

The first meeting of the High School Literary Society was held in the High School on Friday evening last. There was a large attendance of parents and pupils present who greatly enjoyed the fine programme presented for their approval.

Geo. Julien and Barney have taken over the dining room of the Roschad hotel and will run it under the name of the Roschad Cafe. They propose to serve meals at very reasonable prices. A five cent order will receive the same service as a \$5 order.

The renovations and additions made to Mayor Chamber's residence are now completed and contractor Morrison has made a complete change in its appearance. It can now be catalogued with the other fine residences of this town of neat little homes.

In last week's issue we reported McGhee and Thompson as shooting four geese but we failed through a misunderstanding to also report that Messrs. Geo. Watson and Alf. Brusso acted as gillies on that occasion and were the means of giving the first named gentleman a chance at the prizes.

A rather peculiar incident took place in Miss Johnson's room at the public school on Tuesday afternoon. While the children were all peacefully studying the silence was broken by a crash of glass and something came hurtling across the room to the teachers desk. After the panic had subsided it was found that a partridge had made a forced entrance through one of the window panes, evidently in search of education. Master Leonard Thompson caught it and after Mr. Metzgar had taken its head off look it home for supper.

The Women's Institute regular meeting will be held at the home of Mrs. N. Clarke at 2:30 on Friday, the 13th of October. Mrs. Pearson will give a report at this meeting of the constituency conference. Ladies will

please meet at the Presbyterian church where cars will be on hand. All members requested to attend.

Miss Leona Weber left for Calgary on Saturday last where she intends to take up a course in the Garbutt Business College. The night before she left a number of her friends gave her a surprise party after which they all wished her every success in her future career and expressed their regret at losing one from the community who was so

highly thought of. Miss Weber has been very popular amongst the social gatherings in town and will be greatly missed.

Apples by the box or sack at low prices. Hub Grocery.

FOR RENT:—Nine roomed house, 8 acres land, fenced and cross fenced. Barn room for seven head cattle and four head horses. Pig pens, chicken house, small fruits. Good water. Rent \$35 a month. Apple Mrs. J. C. Stevens, Didsbury. 11-37
